

NC Coastal Land Trust

Director of Development

NC Coastal Land Trust, a non-profit organization protecting valuable natural areas and waters, seeks a Director of Development to design, manage and carry out the development program for the organization.

The successful candidate will oversee all aspects of fundraising, including creating and implementing strategies and initiatives for increasing funding, identifying resources, strengthening relationships with members and donors, and cultivating and soliciting major gifts.

This is a prime opportunity for an energetic, hands-on leader with a passion and interest for conservation or environmental work to grow this position and organization and have a long-term impact on the region. Apply at: <http://www.capabilitycompany.com/web/posnccltds.htm>
